INFORMATION CIRCULAR FOR ANNUAL GENERAL MEETING

(as at May 14, 2010, except as otherwise indicated)

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

The Company is providing this Information Circular and a form of proxy in connection with management's solicitation of proxies for use at the Annual General Meeting (the "*Meeting*") of the Company to be held June 25, 2010 and at any adjournments. Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included.

The solicitation of Proxies will be primarily by mail, but Proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. In accordance with National Instrument 54-101 of the Canadian Securities Administrators ("*NI 54-101*"), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares of the Company (the "*Shares*") held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

A shareholder entitled to vote at the Meeting may by means of a Proxy appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf. Submitting a Proxy by mail, fax or by hand delivery are the only methods by which a shareholder may appoint a person as Proxy other than a director or officer of the Company named on the form of Proxy.

The individuals named in the accompanying form of Proxy are directors and/or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's Shares are to be voted. In any case, the form of Proxy should be dated and executed by the shareholder or his/her attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

PROXY INSTRUCTIONS

Only shareholders whose names appear on the records of the Company as the registered holders of the shares or duly appointed proxyholders are permitted to vote at the Meeting. Registered shareholders may wish to vote by Proxy

whether or not they are able to attend the Meeting in person. Registered shareholders may vote by Proxy as follows: by mail or fax, or by hand delivery to Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1.

Registered shareholders must complete, date and sign the form of Proxy. It must then be returned to the Company's transfer agent, Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof at which the Proxy is to be used.

REVOCABILITY OF PROXIES

In addition to revocation in any other manner permitted by law, a shareholder who has given a Proxy may revoke it by either executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or the shareholder's authorized attorney in writing, or; if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized; and by depositing the Proxy bearing a later date with Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a Proxy may be revoked by the shareholder personally attending the Meeting and voting the shareholder's shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION

On a poll, the nominees named in the accompanying form of Proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. **The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors, any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.**

In respect of a matter for which a choice is not specified in the Proxy, the nominees named in the accompanying form of Proxy will vote Shares represented by the Proxy in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

As of the date of this Information Circular management of the Company knows of no amendment, variation or other matter that may come before the Meeting but, if any amendment, variation or other matter properly comes before the Meeting, each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

ADVICE TO BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular, collectively, as "*Beneficial Shareholders*") should note that only Proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited; and which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return

instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("*Broadridge*", formerly ADP Investor Communications Services) in the United States and in Canada. Broadridge typically prepares its own proxy forms, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge proxy cannot use that proxy to vote Shares directly at the Meeting. That proxy must be returned to Broadridge well in advance of the Meeting in order to have the Shares voted**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal Proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

RECORD DATE AND VOTING SECURITIES

The Company has set the close of business on May 14, 2010 as the record date (the "*Record Date*") for determination of persons entitled to receive notice of the Meeting. Only the registered holders of Shares, and those beneficial holders entitled to receive notice pursuant to NI 54-101 through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he or she owns such Shares, requests by contacting Computershare Trust Company of Canada, Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, at least 10 calendar days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such Shares at the Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Shares, of which 60,407,187 shares are issued and outstanding as at the date hereof. Persons who are registered shareholders at the close of business on May 14, 2010 will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the Directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, Shares carrying more than 10% of the voting rights attached to any class of voting securities of the Company except as follows:

Shareholder Name	Number of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly	Percentage of Outstanding Shares
The Rule Family Trust UAD 12/17/98	8,983,000	14.87%

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. Compensation for the 2009 and prior fiscal years has historically been based upon a negotiated salary, with stock options and bonus potentially being issued and paid as an incentive for performance.

The Compensation Committee has the responsibility to administer the compensation policies related to the executive management of the Company, being the President and Chief Executive Officer. Bonuses paid to senior executives are based on the Compensation Committee's assessment of the Company's financial and operating performance, as compared to the Company's peers, and objectives approved by the Board of Directors.

Option-based Awards

The Compensation Committee has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

The shareholders have approved a stock option plan pursuant to which the Board has granted stock options to executive officers. The stock option plan provides compensation to participants and an additional incentive to work toward long-term Company performance.

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. The stock option plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer, and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX, and closely align the interests of the executive officers with the interests of shareholders. The total number of stock options issued by the Company is low compared to many similar companies.

Summary Compensation Table

"Named Executive Officers" or "NEOs" means the Chief Executive Officer ("CEO") and the Chief Financial Officer ("CFO") of the Company, or if the Company does not have a CFO, an individual who acted in a similar capacity,

regardless of the amount of compensation of that individual, each of the Company's three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recent financial year and whose total compensation exceeds \$150,000 (before change of control payments) and any individual who would have satisfied these criteria but for the fact that such individual was not serving as an officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year.

The following table (presented in accordance with National Instrument Form 51-102F6 sets forth all annual and long term compensation for services in all capacities to the Company for the two most recently completed financial years of the Company in respect of each Named Executive Officer.

Option-Based Awards – Stock Option Plan

The Company has a "fixed" stock option plan (the "*Plan*"). Pursuant to the Plan, up to 8,000,000 options may be granted which would represent 13.24% of the current issued capital of the Company. As of the date of this Information Circular, all of the currently outstanding options are out of the money.

The Plan provides that:

1. The maximum number of shares which may be issuable pursuant to options granted under the Plan is 8,000,000 shares. The number of shares reserved for issuance under the Plan:

3. The exercise price of an option may not be set at less than the closing market price of the Company's Shares on the trading day immediately preceding the day on which the option grant is announced.
 4. The options are not assignable by an optionee.
 5. If an Optionee shall cease to be an Eligible Person, any outstanding options (whether or not such options are vested) held by such Optionee shall be cancelled on the following basis:
 - (a) If an Optionee ceases to be an Eligible Person due to death or disability, then the vested options held by such Optionee shall be exercisable up to the earlier of the expiry date of such options and 365 days after the date of death or disability.
 - (b) If an Optionee ceases to be an Eligible Person as a result of termination for cause, the vested options held by such Optionee shall be cancelled as of the date of termination.
 6.  7. The Plan does not provide for financial assistance by the Company to any Optionee.
 8. On the occurrence of a takeover bid, the Board of Directors will have the right to accelerate the date on which an option becomes vested and thereby exercisable.

The following table sets forth information concerning all awards outstanding under option-based incentive plans of the Company at the end of the most recently completed financial year, including awards granted before the most recently completed financial year, to each of the Named Executive Officers.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the Named Executive Officers at, following, or in connection with retirement.

Termination of Employment, Changes in Responsibility and Employment Contracts

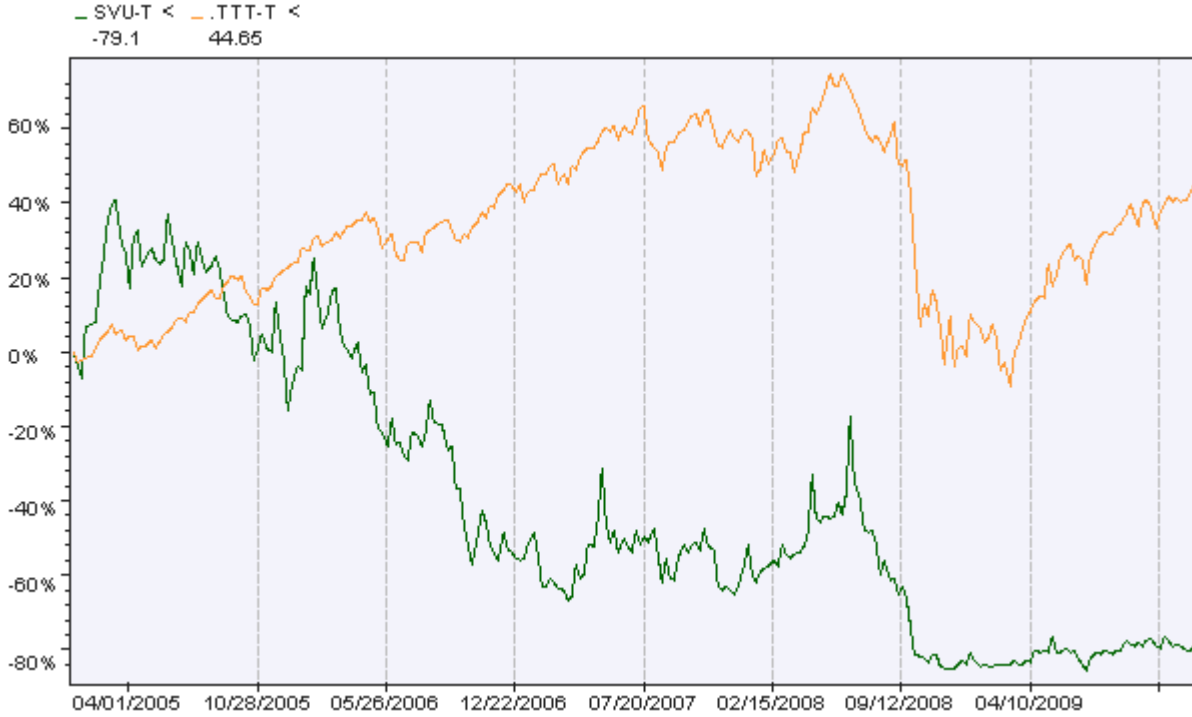

The Company and its subsidiaries have no employment contracts with any Named Executive Officers except as set out below: Under an employment agreement effective March 1, 2005, Dr. Robert Rennie agreed to an initial salary of \$175,000 per annum for his services in the capacity of Chief Executive Officer, with provision for an annual bonus of up to 20% of annual salary and an initial allocation of stock options. The bonus is based upon the Company meeting key criteria each year, as mutually agreed between Dr. Rennie and the Board of Directors, including meeting business growth targets, meeting budget requirements, obtaining government approvals, and meeting other key corporate milestones. By an amending letter agreement dated January 8, 2008, Dr. Rennie's employment agreement was amended to include a change in control provision. On a "change of control" of the Company, Dr. Rennie may, on three months' notice, and the Company may, without notice, terminate Dr. Rennie's employment by notice in writing, whereupon Dr. Rennie will be entitled to a severance payment equal to 24 months' salary plus payout of accrued vacation and earned bonuses, if any, in the year in which the notice is given. In addition, all options under the Company's Stock Option Plan held by Dr. Rennie will vest immediately and may be exercised in accordance with their terms as of the date of delivery of the written notice. A change of control is defined as (i) any transaction or series of transactions in which all shareholders of the Company are legally entitled to participate and pursuant to which shares of the Company carrying the right to vote (the "Voting Shares") representing more than 50% of the total outstanding Voting Shares are purchased by a person not controlled by, in control of or under common control with the Company immediately prior to such transaction, or (ii) the merger or combination of the Company with another entity (other than a merger or combination in which holders of Voting Shares immediately before the merger or combination own, immediately after the merger or combination, voting securities of the surviving or acquiring entity or a parent company of such surviving or acquiring entity possessing more than 50% of the voting power of the surviving or acquiring entity or parent party) resulting in the exchange of the outstanding Voting Shares for cash, securities or other property.

Estimated Incremental Payment on Change of Control

Under the terms of Dr. Rennie's employment agreement, Dr. Rennie would be entitled to receive an estimated incremental payment of approximately \$405,160 (calculated as at December 31, 2009) based on amount equal to 24 months') plus amounts owed in respect of accrued vacation, earned bonuses and the accelerated option value of his existing stock options.

Performance Graph

The following performance graph illustrates the Company's five year (to December 31, 2009) cumulative total shareholder return (assuming reinvestment of dividends, if any, on each dividend payment date) on a \$100 investment on January 1, 2005 in the Company's Shares compared to the return on a comparable investment on the S&P/TSX Composite Index. The share trading data is as reported by the Toronto Stock Exchange ("TSX").
